For centuries, the presence of Africans in Europe has been largely ignored or downplayed. But in recent years, a growing body of scholarship has begun to shed light on this hidden history. *African Europeans: An Untold History* is a major contribution to this growing field of study.

This book tells the story of Africans in Europe from the earliest times to the present day. It covers a wide range of topics, including:

- The arrival of the first Africans in Europe in prehistoric times
- The role of Africans in the Roman Empire

- The presence of Africans in medieval Europe
- The African slave trade and its impact on Europe
- The experiences of Africans in Europe after the abolition of the slave trade
- The contributions of Africans to European culture and society

African Europeans: An Untold History is a fascinating and important book that sheds light on a neglected chapter of human history. This book is a must-read for anyone interested in the history of Africa, Europe, or the history of race and ethnicity.

Reviews
