Now, in this meticulously annotated edition of their classic bestseller, *Can Do*, authors Carl H. Builder and Robert F. Karolevitz bring the Seabees' extraordinary story to life.

Drawing on extensive research, including interviews with Seabee veterans and access to previously unpublished documents, Builder and Karolevitz

weave a gripping narrative that captures the essence of the Seabees' spirit and indomitable determination.

## **From Humble Beginnings to Global Renown**

*Can Do Annotated* traces the origins of the Seabees back to the early days of World War II, when the Navy realized the urgent need for a construction force capable of rapidly building and repairing critical infrastructure in the face of enemy fire.

With vivid prose and stunning photographs, the authors recount the Seabees' pivotal role in the Pacific Theater, where they constructed airfields, hospitals, roads, and other essential installations that were vital to the Allied victory.

From the beaches of Normandy to the jungles of Leyte, the Seabees proved their mettle, earning the respect of both their fellow soldiers and the grateful civilians they helped.

## **Beyond the Battlefield**

But the Seabees' legacy extends far beyond the battlefields of World War II. In the decades that followed, they continued to serve with distinction in countless conflicts and humanitarian missions around the globe.

*Can Do Annotated* shines a light on the Seabees' contributions to the Cold War, Vietnam War, and other major events, revealing their unwavering commitment to building and repairing in some of the most challenging environments imaginable.

## **An Invaluable Reference**

In addition to its compelling narrative, *Can Do Annotated* also serves as an invaluable reference for anyone interested in the history of the Seabees or military engineering.

The authors have meticulously annotated the text with extensive footnotes, providing additional context, insights, and references to primary source materials.

These annotations transform *Can Do Annotated* into a comprehensive historical resource that will be indispensable to scholars, historians, and anyone seeking a deeper understanding of the Seabees' remarkable story.

## Legacy of Excellence

Today, the Seabees remain an elite force within the United States Navy, continuing to embody the same spirit of innovation, determination, and "Can Do" attitude that has defined their legacy for over eight decades.

*Can Do Annotated* is a fitting tribute to these extraordinary men and their enduring contributions to history.

Free Download your copy today and immerse yourself in the epic saga of the Seabees, a story of courage, ingenuity, and unwavering determination that will inspire generations to come.
