The novel tells the story of a man named Tim, who is struggling to come to terms with the death of his father. He does so by telling stories about his father, both real and imagined. These stories explore the complex relationship between fathers and sons, the ways in which we remember our loved ones, and the power of storytelling to heal old wounds.

O'Brien is a master storyteller, and *Dad Maybe* is one of his most powerful and moving works. It is a novel that will stay with you long after you finish it.

Reviews
