

Guidelines For Archivists Librarians Architects And Engineers: The Essential Guide to Managing and Preserving Cultural Heritage

Cultural heritage is a precious and irreplaceable part of our shared human history. It includes the buildings, artifacts, documents, and traditions that tell the story of our past and help us to understand our present. Preserving and managing cultural heritage is a complex and challenging task, but it is one that is essential for the future of our society.

Archival and Special Collections Facilities: Guidelines for Archivists, Librarians, Architects, and Engineers
