But Isplash is more than just a toy. It's also a great way to teach kids about marine life. Isplash comes with a variety of educational materials, including

a fact sheet about different types of fish. Kids can learn about the anatomy of a fish, how fish swim, and the importance of marine conservation.

Isplash is the perfect gift for any child who loves animals, science, or just plain fun. It's a great way to keep kids entertained while also teaching them about the wonders of the natural world.
