With a small band of loyal followers, Napoleon escapes from Elba and lands on the coast of France. The country erupts in a frenzy of excitement. The people have never forgotten their emperor, and they flock to his banner. Within weeks, Napoleon has raised an army and is marching on Paris.

The Seventh Coalition, led by the Duke of Wellington and Gebhard von Blücher, is determined to stop Napoleon. But the Coalition is divided, and its armies are scattered. Napoleon exploits their weaknesses, winning a series of stunning victories that culminate in the Battle of Waterloo.

Waterloo is a bloody and decisive battle. Napoleon's army is defeated, and he is forced to abdicate for the second time. He is exiled to the remote island of Saint Helena, where he will spend the rest of his days.
