In recent years, the Supreme Court has become increasingly politicized. This is due in part to the growing polarization of American politics and the increasing role of money in politics. As a result, the Court's decisions are often seen as partisan rather than impartial.

The Era of Political Partisanship on the Supreme Court is a new book by David Cole that examines the history of political partisanship on the Court. Cole argues that the Court has always been a political institution, but that the level of partisanship we are seeing today is unprecedented.

Cole traces the roots of political partisanship on the Court back to the early days of the Republic. He shows how the Court's decisions have often been influenced by the political beliefs of its justices.

In recent years, the Court has become even more politicized. Cole argues that this is due in part to the growing polarization of American politics and the increasing role of money in politics. As a result, the Court's decisions are often seen as partisan rather than impartial.

The Era of Political Partisanship on the Supreme Court is a timely and important book. It provides a clear and concise overview of the history of political partisanship on the Court and offers some important insights into the current state of the Court.

### **Praise for The Era of Political Partisanship on the Supreme Court**

"David Cole has written a masterful and timely book about one of the most important issues facing our nation today. The Era of Political Partisanship on the Supreme Court is a must-read for anyone interested in the history of the Supreme Court, the current state of the Court, and the future of American jurisprudence." - **Erwin Chemerinsky, Dean of the University of California, Berkeley School of Law**

"Cole's book is a valuable contribution to the literature on the Supreme Court. It is a well-written and well-researched book that provides a clear and concise overview of the history of political partisanship on the Court. Cole's insights are important and timely, and his book is a must-read for anyone interested in the Supreme Court." - **Jeffrey Rosen, President and CEO of the National Constitution Center**
