The Perfect Suburban Nightmare

At the heart of this harrowing tale lies the seemingly ordinary world of Allison and Jason, a couple navigating the challenges of raising a family

while actively participating in their children's school community. Allison, a dedicated PTA mom, found herself drawn into a toxic friendship with Joy, a charismatic and manipulative newcomer. What began as a seemingly harmless bond quickly spiraled into a living nightmare.

Joy's charming façade masked a sinister reality. She strategically isolated Allison from her family and friends, planting seeds of doubt and insecurity in her mind. As Allison's dependency on Joy grew, Joy's true colors emerged. She exploited Allison's vulnerabilities, using threats and intimidation to control her actions and push her into a world of addiction and despair.

The Devil in Disguise

Joy's manipulation extended far beyond Allison's home life. She infiltrated the PTA, spreading rumors and lies to isolate Allison and her family from their support network. The once-welcoming community became a breeding ground for fear and suspicion, as Joy's toxic influence spread like wildfire.

The book paints a vivid portrait of Joy's manipulative tactics. She played on Allison's insecurities, exploiting her desire to be accepted and loved. By offering her drugs and claiming to be the only one who truly understood her, Joy gained control over Allison's mind and body.

A Town Under Siege

As Allison's life spiraled out of control, the once-quiet town of Pleasantville became a battleground. Joy's terrorizing behavior extended beyond her immediate victims. She orchestrated a smear campaign against Jason, falsely accusing him of domestic abuse, and even targeted the children of the community.

The book delves into the ripple effects of Joy's actions, exploring the devastating impact on Allison's family, friends, and the entire community. It highlights the insidious nature of domestic abuse and the far-reaching consequences of unchecked manipulation.

Justice Unraveled

'I'll Get You Drugs' follows the intricate legal proceedings as the true extent of Joy's crimes is brought to light. The book provides a gripping account of the trial, the complexities of prosecuting a case of domestic abuse and manipulation, and the challenges of holding the perpetrator accountable.

Through meticulous research and firsthand accounts, Kelli Dugan reconstructs the events leading up to and following Joy's arrest. The book offers a glimpse into the resilience of the victims and the painstaking efforts of law enforcement to bring justice to all involved.
