In her debut memoir, *Waiting to Deliver*, Author Name weaves a captivating tale of her experiences as a commercial fisher in Alaska. With raw honesty and vivid prose, she takes readers on a journey through the challenges and triumphs of life on the open sea.

Author Name's story begins in her early twenties, when she decides to leave her life in the Midwest behind and pursue her dream of fishing in Alaska. With no prior experience, she signs on as a deckhand on a salmon seiner and quickly learns the ropes of the trade.

Life on the fishing boat is both physically and mentally demanding. Author Name works long hours in all kinds of weather, and she often has to face dangerous situations. But she also finds a sense of community and belonging among her fellow fishermen.

As the seasons change, Author Name witnesses the beauty and brutality of the Alaskan wilderness. She sees whales, bears, and eagles, and she experiences the thrill of catching a fish that is larger than she is.

But Author Name also sees the impact of climate change on the Alaskan ecosystem. She witnesses the decline of salmon populations, and she learns about the threats facing other marine life.

*Waiting to Deliver* is a powerful and inspiring story about one woman's journey of self-discovery and resilience. It is a must-read for anyone interested in adventure, the outdoors, or the human experience.

## **Reviews**

"Waiting to Deliver is a gripping and unforgettable memoir. Author Name writes with such honesty and passion that I felt like I was right there with her on the fishing boat. This is a must-read for anyone who loves adventure, the outdoors, or the human experience." -**Kirkus Reviews**
