

Yezidi Faces: Sandi Toksvig Explores the Lives of a Persecuted People

Yezidi Faces is a powerful and moving book that tells the stories of a persecuted people. Author Sandi Toksvig has traveled to Iraq and Syria to meet with Yezidi survivors and hear their firsthand accounts of the horrors they have endured. The book is a testament to the resilience of the human spirit and a call to action for the world to do more to help those who are suffering.

The Yazidis are an ancient religious minority that has been persecuted for centuries. In 2014, the Islamic State (ISIS) launched a genocide against the Yazidis, killing thousands of people and enslaving thousands of women and children. Toksvig's book tells the stories of some of these survivors, including a young woman who was held captive for three months and a man who lost his entire family in the genocide.
